Host your event at
Aberdeen Science Centre

Aberdeen Science Centre is a Scottish Charity, SC014922,
regulated by the Scottish Charity Regulator (OSCR)

The perfect space for your next event.

Aberdeen Science Centre (ASC) offers a unique venue option, with space to host meetings, conferences, exhibitions, social and networking events. With dedicated meeting rooms, a spacious exhibition floor and mezzanine, ASC has a range of options to suit your requirements.

As part of the Shell Learning Zone, ASC boasts two spacious meeting rooms. Located on the upper exhibition floor, the Proton and Neutron rooms can be adapted to suit your event needs.

Proton can accommodate up to 40 delegates in a theatre style set up, Neutron up to 35, or the rooms can be combined to accommodate 80 delegates.

The Proton and Neutron Rooms include the following as standard:

- All-in-one Clevertouch screen with inbuilt computer
- Wireless presentation facilities
- Video conferencing facilities allowing for hybrid meetings
- Dedicated Wi-fi
- Flipchart and pens
- Internal signage to guide delegates – this can include company logos

A laptop and delegate stationary can be provided upon request.

As part of your event, delegates will have the opportunity to explore the exhibition floor and interact with over 65 exhibits, themed into zones including Energy, Space, Life Sciences, Make it, and Test it.

“ASC offers a unique event experience which helps to add colour to our conference timeline. The team are so efficient and helpful, and our delegates loved it's interactive nature. It's a great space which lends itself to a slick event; I highly recommend it.”

The Make It Zone, within the Shell Learning Zone, and Test It – combining to make our upper exhibition floor – is available for hire.

Accommodating up to 170 guests seated or 300 standing, it is the perfect space for conferences, networking events and receptions. You will have exclusive use of Aberdeen Science Centre when hosting an event on the upper exhibition floor.

Home to over 65 interactive exhibits, delegates will have the opportunity to engage and explore the entire exhibition floor as part of your event. All exhibits on this floor are mobile and can be stored away or moved as per your requirements.

Utilise the existing drop-down screens and projectors, or call in the expertise of an AV company; ASC partners with AV One to meet your event's requirements.

WiFi is included as standard, delegate stationary can be provided upon request.

“

Having the exhibits as ice breakers as our guests networked was a definite highlight of the evening and added a unique experience to our event. The staff were a pleasure to deal with from the initial enquiry about using the venue to being on hand on the night to ensure all went smoothly. Would highly recommend hosting events here and I am sure this won't be the only time we hold an event there.

Event catering

In-house catering is provided by our catering partners, Grub Fresh Food – a local business, founded in 2010, who use fresh, quality, local produce.

Catering for all dietary requirements, menu options offer something for every event. Options include, but are not limited to:

- Breakfast rolls, pastries and yoghurt pots
- Cold lunch platter, encompassing a selection of sandwiches, sausage rolls and nibbles
- Muffins, mini bakes or cakes to top up the sugar levels
- BBQ package – enjoy a sizzling BBQ in ASC's sensory garden

If you have specific menu ideas, please speak with our events team who can discuss your requirements with Grub Fresh Food. Unfortunately, we are unable to offer the use of external caterers.
